

## The high-quality, rotation-friendly and easy to clean workplace mat for clean environments.

- o Optimum use in clean environments - visual and ergonomic comfort
- o **Greater turning flexibility: The workplace mat offers unrestricted mobility – and is also highly flame-resistant and easy to clean**
- o The surface of VARIO has been designed so that it can be cleaned effortlessly. Vacuuming, scrubbing or polishing – the workplace mat will withstand all cleaning actions, like any conventional industrial floor.
- o The long-lasting mat – suitable for operation in several shifts (24/7).
- o When installing ERGOLASTEC\_vario, expansion joints of approximately 1-2 cm are required, especially along the edges of the room and depending on the size of the work area.
- o It is recommended to avoid placing objects, machines, or furniture such as tables on the workplace mat.

	Surface	Size	Electric conductivity	Fire protecting class	Material	Hardness	Weight	Colour
<b>NEW</b>	VARIO g* with RFLX Backside	1350 x 1000 x 16 mm*	Antistatic	Bfl-s1**	NBR**	55 Shore A	16 ± 1 kg	
<b>NEW</b>	VARIO a* with RFLX Backside	1350 x 1000 x 16 mm*	Antistatic	Bfl-s1**	NBR**	55 Shore A	16 ± 1 kg	

## SURFACE AND BACKSIDE GEOMETRIES

\*Tolerances according to DIN ISO 3302 - 1 M4

\* g= grey, a= anthracite

Possible colour deviations of mats possible, this yellowing is temporary in nature. Depending on the intensity and duration of light exposure, this yellowing will fade after a relatively short time. It is not unusual for new mats to take on their final colour only in use.
