

# VARIO LOG

The high quality and easy to clean, ergonomic workplace mat for safe and comfortable footing in all workplaces in warehouse, logistics and picking areas.

- o A high quality appearance for the perfect first impression.
- o The mat surface has an optimally adapted centre of rotation and convinces, at the same time, with its good grip and firm hold (mat weight 20 kg).
- o Very easy to clean – wipeable surface like conventional industrial floors.
- o The elastic properties of the rubber compound and the special geometry of the rear give the mat a high cushioning and activating effect.
- o The long-lasting mat – suitable for operation in several shifts (24/7).
- o The thickness and high-quality material of the workplace mat provide protection against unhealthy cold.

Surface	Size	Material	Hardness	Colour
VARIO LOG Dry	1350 x 1000 x 16 mm*	NBR	55 Shore A	

\*Tolerances in accordance with DIN ISO 3302 - 1 M4
